

AMENDMENTS TO THE CLAIMS

Please cancel, without prejudice or disclaimer, claims 2-8.

1. (original) A set defence means for defending a designated area including:-

at least one monitor for monitoring the designated area to detect any zone therein in which a new presence appears;

defence including multi-barrel weapons each having barrels loaded with multiple sequentially fired projectiles selectively fired by electronic controls and capable of debilitating personnel or vehicles present anywhere in a remote designated area; and

communication means providing communication between the monitor and the defence for triggering selective activation of the defence for delivering a debilitating attack to the detected zone.

2-8. (canceled)
